Dear Joe:

Just a line in haste to find out if the ballpark in Richmond would be available for The Eagles and The Atlanta Black Crackers to play a game the night of September 11th.

Do not close the date until you hear from me again, but I want to know if we could get it if we want it. I want the team to come to Newark Sunday September the 10th, and in order to get them I have to keep them busy all week. I am trying to see if any of the parks in Virginia are available.

Please let me hear from you right away, as I do not have much time, and will have to get another team if I do not keep this team busy.

Sincerely Yours
